

## COVID UPDATE for Year 12

6<sup>th</sup> August 2021

Dear Year 12 Students and Parents/Carers

This is a quick update about the planned return for Week 6 and the Trails Examinations. Today the NSW Government announced that students from schools in the 8 LGAs in lockdown, including Parramatta, would **not be returning to school on Monday 16th August 2021** as previously planned. You will continue with your remote learning program as you complete your latest units of course work and prepare for your Trial Examinations.

Today it was also announced that you would need to do your **Trial Examinations remotely from home**. Your teachers and Head Teachers are working very hard to devise exam tasks that you will be able to complete and submit from home, **so it is important that you continue to work hard and focus on your HSC courses**.

Once we know more about the format of these exam tasks, we will be sharing that information with all of you as soon as possible. The Trial Exam period has been extended to Weeks 8 - 10 to give everyone the opportunity to demonstrate their skills, knowledge and understandings of their HSC courses. Please stay tuned and watch Sentral, your email and Facebook for more information.

Take care and stay safe.

Yours sincerely

*E. J. McMaster*
