Dear Parents/Carers

The School would like to provide you with the latest advice from NSW Premier Gladys Berejiklian who has announced that schools will remain open but parents are being supported in their choice to keep their children at home for the remainder of this term.

Parents are responsible for the supervision of their child and to ensure they stay at home and do not congregate in groups or in public spaces.

Students need to follow good hygiene practices such as thoroughly washing their hands throughout the day and using hand sanitiser.

APHS is moving towards an online teaching and learning environment where students will need to monitor their APHS Connect 1to1, APHS gmails and any other accounts associated with the school that can support their learning in a home environment.

The school would like to thank you for your support throughout this difficult time.

Yours sincerely
