TERM 2 UPDATE LETTER FOR STUDENTS AND FAMILIES

CO-PRINCIPAL

Mr Darren Percy will be joining the staff of Arthur Phillip High School in the role of Co-Principal for the remainder of 2023. He will be working on projects across the school and supporting and working alongside myself as the Principal.

YEAR 7 to 10 ACCESSING HOME LEVELS

To assist with movement within the school and to address some Health and Safety issues, all students from Years 7 to 10 will be required to use the stairs to access their home levels each day from the commencement of Term 2. Lift access will only be available when students are travelling to Level 9 for Science Practical work. If for any reason a student in Year 7 to 10 requires the lifts to be accessible due to a medical or other reason, then special application can be made for a lift pass supported by the appropriate documentation. Students who currently have a lift pass do not need to reapply.

AREAS TO BE ACCESSED DURING BREAKS

During breaks students are able to access the upper ground level or stay on a home base level if they wish. From the start of Term 2 the following will apply for students who wish to remain on a level during their break:

Stage 4 (Year 7 and 8)	Level 2 only
Stage 5 (Year 9 and 10)	Level 6 only
Stage 6 (Year 11 and 12)	Level 8 only

Students must remain on one of the levels or go to Upper Ground where staff will be rostered on to supervise.

A reminder that students are not permitted to be on Levels, 1, 5 or 9 unless they have timetabled lesson on that floor.

Stage 5 (Year 9 and 10)	8.50am	Amphitheatre
