Enrolment Panel:

The EOI to enrol is developed by the school and requires the applicant to address the selection criteria and provide supporting documentation. If the school has a vacancy, the Enrolment Panel will consider the out-of-area applicant and recommend an interview or decline an application based on the out-of-area selection criteria outlined in the *How to Enrol Implementation Guide* published on the school's website. Interviews are NOT a guarantee of enrolment.

Appeals:

The purpose of an appeal is to determine whether the criteria have been applied fairly. Where a parent wishes to appeal against the decision of the enrolment panel, **the appeal must be made in writing to the principal** who will consider the appeal.

False and Misleading Enrolment Information or Practices:

The Application for Enrolment process requires the applicant to declare the information provided is correct. **The provision of false or misleading information can result in the enrolment being reversed.** If a person makes false or misleading information to a school when making an application for enrolment, this is an offence, which has a penalty of up to TWO years imprisonment [Section 307B of the Crimes Act 1900].
