

Video for change - Year 8 winners for indigenous youth voice

Congratulations to Year 8 students, Kasey Wardle, Gabriella Abbas, Olivia Erkovska, Hanee Patel, William Lin and Dipdarshan Thapa and their teachers Ms Suar and Ms Oldfield on winning the Videos for Change "Founders Award for Indigenous Youth Voice" 2018. The students were presented with their award at a ceremony in Sydney yesterday by Lisa Wilkinson.

Their video that they designed, performed in and then produced, was a moving and evocative illustration of cyberbullying and was seen by the judges as a creative and realistic portrayal of the insidious impacts bullying can have on young lives. APHS is very proud of Kasey, Gabriella, Olivia, Hanee, William and Dipdarshan's achievements and a very special thank you to Ms Suar and Ms Oldfield who orchestrated this opportunity for their students and then worked tirelessly with them to bring their creative story to life through their video.
